Dear Mr. Freeman,

This is to acknowledge receipt of your Comments/Letter of Protest to the Public Service Commission of South Carolina. Your Comments/Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Inc. for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Inc., as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you may specifically follow Docket No. 2017-370-E at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/116542>.

Subject: Dominion/SCEG Nuclear Fiasco

A meeting was held in Aiken SC tonight for SCEG customers to offer their opinions about the Dominion/SCEG buyout. I was unable to attend but wish to voice my opinion in this email.

I would hope that you will undo the wrong that has been done to the residents of South Carolina! We should not have to pay for the incompetent decisions of SCEG, the South Carolina legislature, and the PSC.

I am not in favor of the Dominion takeover as they will only be a more corrupt utility and continue the work that SCEG /SCANA has been doing.

I wish I could go to some other utility company to get my power but there is no option! The people that caused this fiasco should have to pay for it not the customers! We did not have a voice in the building of these reactors and should not be forced to pay for them!

Just wanted my feelings on this matter to be known.
